Subject: Harvington Neighbourhood Plan - SEA/HRA Screening
Date: Fri, 22 Jun 2018 12:31:32

As part of the consultation on the draft Harvington Neighbourhood Plan, Wychavon District Council ran a Strategic Environmental Assessment (SEA) and Habitats Regulations Assessment (HRA) Screening Opinions consultation with the three statutory environmental bodies (Environment Agency, Historic England and Natural England).

Please find attached the Screening Opinion and the representations made from the three statutory environmental bodies. In summary, it has been determined that neither a full SEA nor HRA AA are necessary.

If you have any queries, please do not hesitate to contact me.
