T28	-	Unidentified	1	Brookdale / Blakenhurst	see Photo: TB28
T29	-	Unidentified group	-	Leys Road , on wide verge near to Blakenhurst entrance road	see Photo: TB29

Notes:

1 Blakenhurst has, throughout the estate, many mature trees on the wide verges, planted around the same time the estate was constructed in 1969/70.

2 The trees photographed from Public Footpath 500C are mainly associated with the boundary of the fields, and adjacent to the drainage ditch, which itself, defines the northern boundary of Blakenhurst and Brookdale.
