

Census Report

	2001	1991	2001 Worcs.	1991 Worcs.
Owner Occupied	76.1%	74.46%		71.7%
Housing Assoc. Rented	18.4%	19.6%	15.2%	19.4%
Other	5.5%	8.9%		8.0%

2001 Census

68% of the residents drive to work only 4% use Public Transport.

This illustrates two factors which need to be examined in the Parish Plan.

- The percentage of owner occupied housing to that rented from the Housing Association, because we appear to have above average numbers of residents in houses rented from the Housing Association.
- The large percentage of people driving to work.
